*Dear Lion Wayne,*

*Congratulations for being chosen by the Lions of Indiana as their candidate for Vice President in 2010 at the International Convention in Australia. You have my support and best wishes and that of the Indiana Lions.*

*Indiana has been a steadfast supporter and an outstanding leader in living up to our motto "We Serve." Indiana Lions look forward to the challenges and the opportunities to demonstrate our ability to lead the International Association of Lions in an exemplary manner.*

*Yours in Lionism*
